Document Owner	Precast Concrete Institute / Pankow Foundation				
Description					
<p>This document describes the high level principles applied in mapping version 0.5 of the generic view definition for "Precast Concrete Domain Concept Library" to the IFC 2x4 information model schema (BIM schema).</p> <p>There are no known limitations in this binding, relative to the generic view definition.</p>					
This document uses the official IAI View Definition Format version 1.0.11.
